

ABSTRACT SUBMISSION

Bulletin KNOB accepts only previously unpublished academic research for publication. When submitting a proposal, the author should describe clearly and concisely the intended content and structure of his or her article and also explain its academic significance.

The proposal should consist of the following:

Working title of the article

1. *Subject*

- 1.1 What is the subject and what is its academic relevance?
- 1.2 What gap does the article fill in existing knowledge on the subject, and what does it add to existing publications?

2. *What question does the article seek to answer?*

3. *Content*

- 3.1 What – in brief – is the content of the article?
- 3.2 What is the scope (international, national, etc.)?
- 3.3 What research methods are used? Which sources are used?

4. *Elaboration and structure*

How is the article structured?

5. *Other remarks*

Space for any other comments.

6. *Add some (low res) images*

Abstracts should be sent to info@knob.nl.
